Daughter~ It's time to wake up~.
Daughter. Are you up?
Have a great day~ <3
What... where's CL..

This.

I'm sorry, Daughter~ Something came up so I don't think I can come home today~ Have a great day at school... See you tomorrow~

Something came up?
Dunno.
My one-day mom is pretty cold.

And a terrible cook.

You're terrible~ compared to CL.
I'll take just the bread.
I guess devils are better than angels domestically?

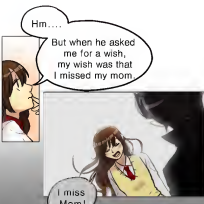
Cook for yourself then!
Hm~
SQUEEZE

.....

You are...

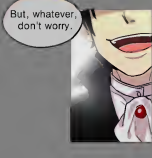
What are you gonna do if CL disappears?

You mean, like, if he's away protesting against domestic labor...
I'm not joking!



Hm....
But when he asked me for a wish, my wish was that I missed my mom.
I miss Mom!

Hmm... I've never heard of a wish like this before...



But, whatever, don't worry.

I'll keep my word!

PFT.

HAHAHAHA!!
That jerk said that?
Why, he can't return until the wish comes true?

Hmm, I dunno.
This daughter is quite naive.
HEH?

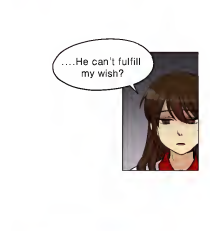
Oh, time to go to school now.

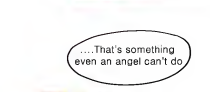
CL turned on this loud alarm to make sure you weren't late to...
....a wish...



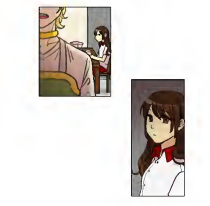
....He can't fulfill my wish?

Whoosh

Click



....That's something even an angel can't do



Does it even make sense that

An angel would even follow through with your wish?
